

CITY OF LODI COUNCIL COMMUNICATION

M

AGENDA TITLE: Adopt Resolution Amending Traffic Resolution No. 97-148 to Modify Street Permit Parking Restrictions for Zone A (Near Pacific Coast Producers)

MEETING DATE: September 5, 2007

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt a resolution amending Traffic Resolution No. 97-148 Section 3C (1) and Section 6A, modifying street permit parking restrictions for Zone A (near Pacific Coast Producers), as shown in Exhibit A.

BACKGROUND INFORMATION: The purpose of the permit parking program is to restrict employees from parking in the residential parking areas and encourage them to park in employee parking lots. Currently, the Traffic Resolution describes the permit parking areas, how the permits are issued to qualified applicants, permit term, and fee.

With the recent changes in operations at Pacific Coast Producers (PCP), the Police Department staff requested we review reducing the permit parking area (Zone A) adjacent to PCP. The Police Department enforces this area and received complaints from residents that the parking restriction was not needed in certain areas since they have fewer employees working at the Stockton Street PCP. Staff discussed the operations with PCP and confirmed the permit area could be reduced. In addition, parking enforcement has requested the no-parking hour restrictions be changed given the change in PCP shifts. At this time, the intent is to reduce the permit area as shown in the attached Exhibit A and change the no-parking restriction to 8 a.m. to 9 a.m. and 2 p.m. to 3 p.m. Currently, the signs restrict no-parking from 8 a.m. to 9 a.m., 3 p.m. to 4 p.m., and 3 a.m. to 4 a.m. The attached Traffic Resolution amendment presents the proposed changes.

FISCAL IMPACT: Since the permit parking area will be reduced, there will be a reduction in maintenance cost.

FUNDING AVAILABLE: Cost to remove sign posts (approximately \$4,600) can be absorbed in the Street Maintenance operating budget. Long-term reduced enforcement costs will offset the sign removal cost.
